The Eltham & Districts Historical Society (Inc.) was formed in 1972, when a group of enthusiastic Eltham residents called a meeting in the Town Hall in preparation for the districts centennial. The present home of the Society is in the former Westpac Bank building, thanks to a generous grant from the Taranaki Electricity Trust.

Below are examples of historical photographs from an extensive collection held by the Society.

No.1 Four Generations of the Ousey / Macdonald family  
Box 14

No.2 Swindlehurst girl & soldier  
Box 996
