To: The Hon. Minister for Immigration, Wellington

Sir, I have the honor to enclose copy of a letter from Mr W. KIRCHNER forwarded to me relative to the sailing of the Fritz Reuter from Hamburg with 425 German immigrants.

I am instructed by my London Directors that I may take a few families to the Manchester Block provided that suitable terms can be made with the Government and I have the honor of now to inform you that I am prepared to take charge of any number of families up to 20 provided the Government will allow me to make my own selection and will place them on the same footing as our other immigrants and accept... (for the purposes of the contract with the E. & C. Aid Corptn) as though they had been selected and emigrated by the corporation should the Government not be willing to accept this proposal it will not be worth our while to undertake the extra trouble and expense which the location and settlement of foreigners ... entails.

I have the honor to remain Sir....
 Arthur F. HALCOMBE
 Agent E. & C. Aid Corptn...

No 17a Adelaide Road, Wiesbaden 24 April 1876

Sir, I duly recd. your letter of the 23rd ult. and have to inform you now that the "Fritz Reuter" with 425 immigrants was despatched from Hamburg to Wellington a few days ago.

As the immigrants were engaged on the strength of our agreement existing between the Agent General of New Zealand and Messrs STONEAM? & Co. of Hamburg, the latter gentlemen were compelled by the authorities here to forward the emigrants at their own risk and in terms of the said agreement. I am sorry to say that a good many of the emigrants I advised to you were ensnared? To proceed by the Humbolt to Brazil, when they found that there was some hitch in the free passage to New Zealand.

There are however some 40 to 50 very sizable families and suitable for your lands going out in the ships. I have requested Dr UTERHART? the Surgeon of the "Fritz Reuter" to speak to these people and make known to them the terms of your settlement. I put him in possession of all the information you sent me and held out the hope to him if he could secure 40 or 50 good families for you that the Representatives of the Corporation in the Colony would allow him the commission for Agency as mentioned in the instructions.

Would you therefore kindly advise your agents in the Colony on this matter, and request them to place themselves in communication with Dr UTERHART on the arrival of the ship "Fritz Reuter" in Wellington.

... mention still that Dr UTERHART is a thoroughly reliable man and that every confidence may be placed in his recommendation. This is the fourth voyage with emigrants to New Zealand.

I am Sir... W. KIRCHNER
