

**Taranaki Province – Index to letters from Private Persons 1858-1859**

Archives NZ Reference ADQW 17303 TP5/5/14

An index found at the beginning of this group of letters forms the basis of this list. Letters found in the group that were not represented in the index are un-numbered. Items highlighted in red were not found in their place in the general sequence of the file and may prove to be missing. Letters 1 to 66 have been checked against the index and fuller information added if available. Letters 67 onward have yet to be checked.
