

## George Crockett 1827-1923

---

George Crockett, Registrar of Births, etc., West Taieri 28 Jan 1875

Sir, I have the honor to forward an additional list of Certificates of successful Vaccination sent to me since I forwarded the former numbers. And as all the cases registered and now reported to you have been done last year, I considered right I should send them all although later than my other quarterly returns.

I have had considerable difficulty in getting the Registration of the cases already forwarded, but I think there will be no difficulty henceforth in getting the Vaccinations List sent with the other returns. I have now forwarded 80 cases of successful Vaccination for past quarter.

*Comment by Registrar General 1 Feb 1875*

Mr Crockett must include this list in his current quarter return. This list must be kept for the purpose of checking the Public Vaccinators claim. Send Mr Crockett the forms of returns if he seems out of them.
