It would be a good idea to have P.P.C. maps of all places where one has exchanged don't you think so… Amelia? I am not sure how many P.Pcd I sent to Tegernsee, but my book shows that, including the two I now send, I have sent 12 and received 11 (seven on 02 May 1907, two on 23 Aug 1907 and two on 24 Oct 1907). I hope you received all I sent. Your cards are always (as I am sure you are) nice and interesting and informing.
