Press 25 Apr 1884 Auctioneer's Report
… acting under instructions from Messrs Dalgety and Co., we sold on account of Mr Fortescue Dalgety, of the Grassmere Estate, 1000 merinos, of mixed sexes. Although these sheep were a little wanting in condition, yet this defect was more than counterbalanced by the ages (2, 4 and 6-tooth), which in merinos passing through these yards is a rarity. Coming straight from the station as they did, and never having had a crossbred lamb, the ewes of the line were much in request for breeding purposes, and sold readily at 6s per head, a price which would have been enhanced another 1s or 1s 6d had they possessed a little more size and condition. The wethers of the line were of the same age and class, and sold at 4s 6d each…
